ACCESS VIDEO CALL TO ACTION: Footage needed ASAP!

Michigan Notoa in cooperation with Michigan Notoa Pro are producing a PEG ACCESS video campaign to enlighten viewers about what PEG is to their community. We can't do this alone and we need to have this on the air yesterday. We are in need of the best B-roll footage you have that best reflects your channels and your community. We need B-roll from as many communities as possible.

Please send your reels to
SWOCC Studios
C/o Michigan NATOA PRO
33300 Nine Mile Rd
Farmington, MI 48336

Preferred formats are: MiniDV, DVCAM, DVCPRO, BETA SP however we will take any format that you have. If possible (but not required) include a shot list of the footage on your reel, this helps the editor and producer expedite the post-production.

There are no guarantees that your footage will be used, however if you care about PEG and its future, please get us your bests shots as soon as possible.

If you have any questions or comments please email Lisa Antuna at lantuna@bloomfieldtp.org or call 248-433-7790.
