

Michigan NATOA Pro (production) is for Public, Educational and Government production professionals. The goal is to create a networking environment for video production pro's to exchange **programming thoughts**, **production techniques**, equipment experiences and **much more!**

The meetings are held once a month at different facilities throughout Southeast Michigan. This is a new and exciting group with a lot of potential. Get started in one of our newly formed committees:

Have great ideas that would give a jump-start to the Access programming blues? Then you are perfect for the **Workshop/Programming Committee**. This group of creative brains comes up with ideas for potential workshops, seminars and speakers along with organizing regular program swaps and critiques!

Just love collaborating and contributing with the best of the best? Well get involved with the **Video Projects/Production Committee**. This committee brainstorms, produces, and distributes projects that can be shared at all local facilities utilizing members from Michigan NATOA Pro as crew.

Are you a communicator at heart? See the potential of this group? Then the **Communications/Promotion Committee** needs you! This committee includes website information and postings, emails, and ways to promote and encourage membership.

HOW CAN YOU GET INVOLVED?

"Be a part of the coolest thing that happened to Access since non-linear editing!!"

Contact Lisa Antuna, BCTV at 248-433-7790 or go for more information go to **www.mi-natoa.org** and click on MI NATOA PRO

Here you will find **meeting recaps**, **production tips**, **call for volunteers**, **share b-roll**, **sign up for the Pro Listserv** and a whole lot more!
